

2023 MRC Skate-a-Thon Log

Name: _____

Log each hour that you skate between Feb. 25-April 2 and find sponsors to support you by the hour (ex: \$5 per hour). Skaters who log more than 15 hours on the ice will receive four free skate passes. All participants are invited to a “Last Chance to Skate” party on Sunday, April 2 from 6-8pm. Everyone who complete the skate-a-thon and finds sponsors will be entered into a drawing for prizes. The grand prize will be a six-month MRC fitness membership, which includes unlimited access to MRC Public Skates.
